

# *Music In Motion*

The Anoka Marching Tornadoes invite you to participate in our 2012 field show titled *Music in Motion*. Our show will take place at Goodrich Field in Anoka, Minnesota on Saturday, October 6th. The show will start at 1:00 pm, end at 6:00 pm, and feature bands throughout Minnesota and Wisconsin. Each field show performance provides valuable experience for your band students, and the *Music in Motion* field show will be no different. Students will display their hard work and dedication during an afternoon of quality band performances. A panel of qualified judges will critique each band for placement in their class.

After competing at our *Music in Motion* show, join the Champlin Park Marching Rebels in Champlin Park, Minnesota, for the *Champlin Park Rebel Classic*.
