Goodrich Field – Anoka, MN

# MUSIC MOTION

## Good afternoon and Welcome to MUSIC IN MOTION, hosted by the 2016 Class A State Champions...the Anoka Tornadoes!

We welcome all family members, fans, and visiting bands to our field show, **Music in Motion**. We are pleased to perform in exhibition for you today, our show 'The Fire Inside You'.

The dedication of our students and their hard work will be reflected on the field. Our marching band kids are some of the hardest working kids out there. The thing that makes me proudest of them is their teamwork. The time here during marching band season will provide these kids with a lifetime of memories - of friendships, strength, encouragement, endless rehearsals, and lots of laughter.

Each and every band member performing here today is a unique student who has sacrificed precious time, sleep and energy...some have overcome significant challenges... and all have definitely worked incredibly hard, just to be here today, performing as one with their band. With that time invested, many close friendships occur among these kids. Marching band is more than an activity, it is a shared experience that will last them a lifetime. With my son having participated and my daughter currently participating in Marching Band, I understand first-hand that these memories will be important for a long time to come.

While you enjoy each one of these talented schools here to perform today, we want to Thank YOU for being here to support the band.

The support of you, a fan, family member, teacher, staff member, or friend who recognizes and supports the AMAZING individuals who make up each band is an INVESTMENT in the future. A special note to the Anoka Seniors and their parents, take a moment today to step back, take it all in and enjoy your last home show as an Anoka Tornado.

On behalf of the Anoka Marching Tornadoes, staff, and Band Parent Association, we are pleased to have you as our guest today. Please sit back, enjoy a refreshment and snack from our concessions, and enjoy the show. GO BAND!!!

Sincerely,

*Jen Jacobson*

President, Anoka Band Parent Association

Anoka Marching Band Fans,

I would like to take some time to welcome you to another tremendous marching band season here at Anoka High School! The Anoka Marching Band continues to gain more students, more notoriety and tons of loyal supporters. Our Marching Tornadoes continue to be one of the strongest and competitive bands in the state. Last year the Anoka Marching Band competed in the Youth in Music championship and placed 2nd in a very tough field of musicians. The Anoka Marching band is one of the most competitive programs around and they have become a major part of our home football games as they lead our fan sections in a number of cheers! Our Directors, staff, parents and booster program continue to work tirelessly to give our Marching Band the best experience possible. Again this year our Marching Tornadoes have set their goals to have the most inspiring and exceptional performances around the state. A special thank you to our parents and the Marching Band Boosters for their continued support of our students and the program. Good luck to our Anoka Marching Tornadoes and the Directors as we set our course for another highly successful year. We are very proud of our Marching Band program and say, "Go Anoka Marching Tornadoes!"

We experience fire in a variety of forms, and see it fit numerous roles. In our eyes, fire brings illumination, but it can bring wrath when untamed. Fire also symbolizes emotions, such as fiery rage, or burning passion. Join us as we explore the connection between the imagery of fire and the emotions we hold within us.

## Music In Motion Logo Contest Winner

We held a Logo Contest this year, asking for original artwork submissions that would showcase the spirit and energy of our Music In Motion marching band competition. We were fortunate to have many talented artists respond to our appeal and were delighted with the level of creativity in each piece of artwork. After carefully reviewing each entry, we selected a logo that will represent MIM for years to come. The winning entry was submitted by Anoka High School's Lauren Bastian. Lauren created a logo that truly captures the spirit of the show! If you know Lauren, please join us in congratulating her. And, please take some time to enjoy the other artwork created and submitted by many talented artists, which are on display around the stadium today.

### Meet The Artist:

My name is Lauren Bastian and I am a senior at Anoka High School. I began drawing and painting at a young age and never stopped. I love the creativity, spontaneity, and problem solving involved in art, and hope to continue to create for years to come. I work in a variety of mediums including acrylic, watercolor, and graphite. Most recently, I began experimenting with digital art and design. Beyond art, I am involved in the school swim and dive team, track & field team, and Knowledge Bowl. I also love music, and play oboe in band and orchestra at Anoka. I hope to continue making music and art in college.
