

Anoka Marching Tornadoes Presents:

Saturday, October 5, 2019

Goodrich Field – Anoka, MN

MUSIC MOTION

Good afternoon and welcome to Anoka's Music in Motion Festival hosted by the Marching Tornadoes.

We welcome all family members, fans, and visiting bands to our field show, **Music in Motion**. We are please to perform in exhibition for you today, our show "Reflections".

The dedication of our students and their hard work will be reflected on the field. Our marching band kids are some of the hardest working kids out there. The thing that makes me proudest of them is their teamwork. The time here during marching band season will provide these kids with a lifetime of memories- of friendships, strength, encouragement, endless rehearsals, and lots of laughter.

Each and every member performing here today is a unique student who has sacrificed precious time, sleep and energy....some have overcome significant challenges..and ALL have definitely worked incredibly hard, just to be here today, performing with their band. With that time invested, many close friendships, occur among these kids. Marching band is more than an activity, it is a shared experience that will last them a lifetime. With my son having participated, and my daughter currently in the color guard, I understand first hand that these memories will be important for a long time to come.

While you enjoy each one of these talented schools here to perform today, we want to Thank YOU for being here to support the band. The support of you, a fan, family member, teacher, staff member, or friend, who recognizes and supports the AMAZING individuals who make up each band is an INVESTMENT in the future. A special note to the Anoka Seniors and their parents, take a moment to step back, take it all in, and enjoy your last home show as an Anoka Tornado.

On Behalf of the Anoka Marching Tornadoes, staff and Band Parent Association, we are pleased to have you as our guest today. Please sit back, enjoy a refreshment and snack from our concessions and enjoy the show. GO BAND!!!

Sincerely,

Jen Jacobson

President, Anoka Band Parent Association

Proud parent of Samantha Jacobson, Color Guard Class of 2020

Welcome Everyone,

I would like to take a moment to welcome all of our marching bands, parents/guardians, staff, community members, guests, and supporters to the Annual Anoka High School marching band festival, Music in Motion, held at historic Goodrich Field. We are excited that you could attend this wonderful event today and we greatly appreciate your support! Our marching band students, directors and their families make such a large commitment to the performing arts each year, usually starting in elementary school. It is so wonderful to see the Marching Band Community come together for such an awesome event such as this Music In Motion and demonstrate their incredible musical talents for everyone to enjoy. The community is so rich with wonderful musicians and performers; it is great to highlight these talents at this event.

The Anoka Marching Tornadoes rehearse over 200 hours throughout a season and perform nearly 25 times during the year. Our performances include all home football games, competitions at Eden Prairie, Rosemount, Marshal, Irondale, Anoka, and Champlin Park, the Minnesota State Marching Band Championships (hosted by Youth in Music), the Anoka Halloween Parade, the Ramsey Happy Days Parade, the Blaine and Coon Rapids parades, all home pep fests, Marching in the Minnesota State Fair Parade, and various other local events! This is a very strenuous and extensive schedule that our musicians and performers are dedicated to each

year. I am so proud of all the work our Anoka Marching Tornadoes put into being the best in the state!

A few notable performances: The Marching Tornadoes took 1st place in Class for the Minnesota State Marching Band Championships, hosted by Youth in Music in 2016 and 2018! An appearance on the Jason Show. The Anoka High School Marching Band performed for a live segment on Garrison Keillor's final show at the Minnesota State Fair Grounds in 2017. Recently the Marching Tornadoes took 1st place in the Gold Class at the Marshal Invitational. There were 20 marching bands and 4 classes. The Anoka Marching Band also took home 5 caption awards. As you can tell, this is a very talented and state recognized marching band.

Michael D. Farley

I would like to wish all of our Marching Bands here today, good luck and to encourage each of you to continue to work hard and finish strong through your season. I wish you all the best of luck at the Minnesota State Marching Band Championships next weekend.

GO Marching Tornadoes!! You make Anoka Proud!

CHAMPLIN PARK MARCHING REBELS

Cherchez la Femme

Have you ever wanted to turn back time and take back something you've said or done? Join us as we search for inspiration and meaning through decades of female artists. The Champlin Park Marching Rebels are proud to present their 2019 production "Cherchez la Femme" (Share – Shay – Lah – Fem).

Champlin Park High School is one of five comprehensive schools in the Anoka-Hennepin School District. Champlin Park proudly offers a rigorous music program to their students which includes five concert bands, a percussion studio, five choirs, four orchestras, two jazz bands, Clarinet Choir, vocal jazz, summer and fall marching band, pep band, and a number of collaborative small ensemble opportunities throughout the music and theatre departments.

The Champlin Park Marching Rebels would like to thank the Champlin Park Band Association; the Jackson Middle School Administrative, Custodial Staff, and Music Department; and the Champlin Park Administrative and Custodial Staff for all of their outstanding support.

OSSEO MARCHING ORIOLES

The Escape

The Osseo Marching Band has been performing in the fall field season for five years after making a big program change from summer parade marching in 2015. Osseo's Marching Band has had a long history in the marching scene and we are excited to be starting this new chapter with the last 4 years under the current directors. This year's band is comprised of 63 students in 7th-12th grade and participate in band classes within the school day as well as filling out the jazz band, pep band, and pit orchestra at Osseo Senior High.

This year's show is themed "The Escape" and follows the evening out with friends as they try their hand at the Escape Room. Each song represents a part in the evening such as getting ready and the excitement and anticipation of going out with friends for the evening, then being in the escape room and trying to solve the problems and the puzzles as they work to find a way to escape, and finally the push to try to beat the room! Enjoy our interpretation of how exciting it is to be with friends on that Saturday night, trying something new, and solidifying all those great memories that we have when we're with friends!

MINNETONKA MARCHING BAND

Luna Rossa

“Luna Rossa” translates to “Red Moon” which is a popular term given to the moon during a full lunar eclipse. During the eclipse, the Earth blocks all direct light to the moon from the sun, but indirect light still reaches the moon from Earth’s atmosphere. The indirect light reaching the moon causes the moon to take on a reddish hue. Our show is in four parts beginning with the Bella Luna (the beautiful moon), followed by the Total Eclipse, Luna Rossa and concludes with a return to the Bella Luna as the moon changes back to its natural color.

The Minnetonka High School Marching Band is led on the field by Drum Major: Karl Schmid. Our soloists are Karl Schmid, Mia Tabor and Andrew Linden.

Still I Rise

"Still I Rise" Featuring musical selections from Brant Karrick, John Barry, Elliot Del Borgo, and Igor Stravinsky, the Eden Prairie High School Eagle Band is proud to present it's 2019 production "Still I Rise". Drawing inspiration from Maya Angelou's evocative poem of the same name, the program depicts the perseverance of the human spirit in the face of darkness, fear and strife.

Band Honors and Awards/Recognition: 2018 2nd Place in AAA Youth in Music Competition. 2018 2nd place at Minnesota State Fair.

The Eagle Marching Band would like to thank the Eden Prairie administration, staff, parents, and community for their continued support. Also the outstanding music instructors that have supported these performers throughout the years.

This 1950's prom is a doo wop disaster! When a death on the dance floor makes this prom night a party foul, it is up to you to figure out whodunit and get this dance back on track. Trade clues with your guests, gather information about the crime, and reveal the punk that made this prom nowhere'sville. This night of laughter and dancing is now too heavy to razz anyone's berries, so it's up to you to find the murderer!

Word from the bird is this is one show you will not want to miss. This night is shootin' to be swell despite the disaster. Ladies, bows and pins in your hair will go nicely with your puffy sleeved prom gowns. Gents, you will look sharp in white and black suits or tuxes. Get ready to put on your thinking caps; you'll need your wits about you to solve this crime.

Please come join us on February 23rd,
at Green Haven Golf Course in Anoka, MN
for our 4th Annual Anoka Band Gala.

More updates to come.

Alex,

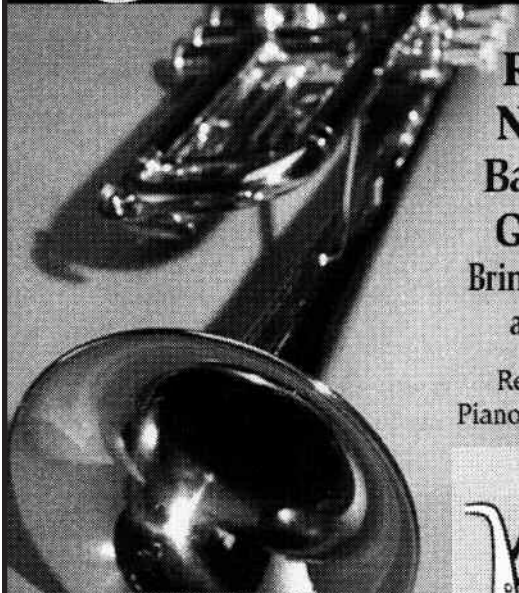

It's been amazing watching you grow up all these years.

I'm so proud of the work you've put in over the years, and of the person you're becoming.

Congratulations on four great years, and may the future bring you hope and happiness.

JUDGES AND CRITERIA

General Effect – Visual

This category is judged on how the band's entire musical presentation is coordinated to depict a unified production. The band's emotional artistry and professional effectiveness of their show are key aspects that the judge is looking for. The difficulty, variety and interpretation and coordination of the visual and musical elements are other elements in how the band is judged. This judge is located in the press box.

Music Execution

The technical accuracy in musicianship, technique, and musical content of individual performers and ensembles will be judged. This judge can be on the field or in the press box.

Visual Execution

The individual performer will be judged in this category. This judge is evaluating marching accuracy, posture and poise, and instrument control. Overall, marching excellence, technical content and construction of the drill will also be judged in this category. This judge is located on the field.

Percussion

The battery and pit are judged in this category. Uniformity, clarity, precision, and demand of the performer are taken into consideration. This judge is located on the field.

General Effect – Music

This judge determines how well the marching formations (drill) interpret the music as well as all the visual aspects of the show. The band is also judged on how well they communicate their intent to the audience. This judge is located in the press box.

Color Guard

The color guard is judged on their performance effectiveness, coordination, content and demand. This judge is located in the press box.

The band's final score is determined after the scores are combined and penalties are deducted. All bands must be in competition for a minimum of 8 minutes to a maximum of 11 minutes. Stop time can negatively affect another judging caption (i.e. general effect). The timing and judging will begin with the first note of music or the first steps of the band proper. The band must complete its performance within 11 minutes. The timing and penalty judging will cease when the band has cleared the field. From the conclusion of their performance, bands will have a maximum of two minutes to clear the competition field.
